# MITCHELL COLLEGE

## HISTORICAL SKETCH

**I**N 1852 Concord Presbytery began formulating plans for the establishment of a college for women. A charter was granted July 9, 1853, under the name of the Concord Presbyterian Female College. The following year the beautiful Doric building, now standing in the central part of Statesville, was begun. When nearing completion it was destroyed by a storm, June 9, 1855. The work of restoration was immediately undertaken, and the building was ready for the opening of the College, September 15, 1856. During the time of the restoration of the building a preparatory school was opened in January, 1856, in temporary quarters. Professor John B. Tinsley of Richmond, Virginia, was elected as the first president and served two years. After the retirement of President Tinsley the college came under the successive administration of Professor E. W. Faucette, Rev. C. S. Millen, Rev. J. M. M. Caldwell, Rev. E. F. Rockwell, Rev. R. B. Anderson, and Rev. Taylor Martin.

In 1873, because of financial conditions, the College was sold to Mr. R. F. Simonton, of Statesville, and for the next twenty-three years was called Simonton Female College. From 1875 to 1883 Mrs. E. M. Grant was the president. She was assisted by her sister, Miss Margaret Mitchell. Upon the death of Mrs. Grant, Mrs. Fannie Everett Walton served as president for eleven years. After her retirement the property would have been lost to the Presbyterian Church but for the noble and timely aid of Rev. J. B. Shearer, D.D. He purchased the property in 1896, repaired the building, and secured Captain J. B. Burwell to conduct the institution, which took the name at this time of Statesville Female College.

In 1900, Dr. Shearer deeded the property to Concord Presbytery, and for several years it was under the joint control of Concord and Mecklenburg Presbyteries. In 1907, through the generosity of Mr. W. F. Hall and other friends, a large addition

was made to the original building and, in honor of Dr. J. B. Shearer, was named Shearer Music Hall. Dr. John A. Scott's successful administration dates from 1900 to 1916. He was succeeded by Mr. J. M. Moore, who served seven years. His successor was Rev. W. F. Hollingsworth. He was followed in 1924 by Rev. G. H. Ellmore, and during his term of five years the College became a standard junior college. Mrs. W. B. Ramsay, former president of the Woman's Synodical Auxiliary of North Carolina, was elected president in April, 1929, and under her management the College has had seven years of progress.

In the sixty-first year of the life of the College, urged by the alumnae and approved by the trustees, Concord Presbytery changed the name of the institution to MITCHELL COLLEGE. The name was given as a mark of honor to Mrs. Eliza Mitchell Grant and Miss Margaret Elliott Mitchell, daughters of Dr. Elisha Mitchell, scientist, educator, and Christian gentleman. These daughters of Dr. Mitchell, as women of superior culture and educators of marked ability, continue to be an inspiration for noble attainment to the institution and to all its students.

### LOCATION

The College is located in Statesville, North Carolina, a city of about twelve thousand population. It is in the heart of the industrial center of North Carolina and is easily accessible from all parts of the state by both train and bus service. Statesville is in the beautiful and healthful Piedmont section at the foothills of the Blue Ridge mountains. The altitude is 960 feet above sea level.

### CAMPUS

The campus of Mitchell College is situated in the center of the city at the head of Broad Street, Statesville's principal avenue. Its elevation gives a commanding view and the grounds are ample for tennis and basketball courts and other athletic games. The natural drainage of the grounds is perfect.

### BUILDINGS

As shown in the frontispiece, the College building is a handsome structure. It is of brick, stuccoed, one hundred and thirty-

eight feet in length, with a central depth of about eighty feet, and three stories high, ornamented with a lofty portico, supported by six massive columns. The first floor contains the laboratories, classrooms and auditorium. The auditorium has a seating capacity of five hundred and is equipped with a pipe organ and a concert grand piano. On the second floor are the parlors, offices, studios, library and infirmary. On the third floor are the student lounge and dormitories. The building is steam heated and lighted by electricity. The rooms are comfortably furnished. The buildings are adequately equipped with fire escapes. The gymnasium is located on the north campus. The president's home is situated just off the campus.

### LIBRARY

The College library consists of two well equipped rooms and contains more than 4,200 volumes. The reference shelves are furnished with encyclopedias, dictionaries, and other books of reference. The reading room is supplied with a large number of the leading magazines, and newspapers.

The library is under the supervision of a trained librarian and her assistants.

### RELIGIOUS LIFE

The College is definitely Christian in its influence, discipline, and instruction. A credit course in the Bible is required of every student in the College and Academy departments. Chapel exercises, led by the president, are held five times a week, and attendance is compulsory. All students are required to attend Sunday school and church.

The students attend the First Presbyterian church at least once every Sabbath, preferably at the morning hour of worship. However, by written requests of parents or guardians to the president of the College, students who are members of other denominations may attend their own churches.

Though owned and controlled by the Presbyterian church, the College is non-sectarian.

Pupils seeking admission to the Academy must present certificates showing work previously done, signed by the principal of the school last attended. # GENERAL REGULATIONS

---

## REGISTRATION

A student will not be permitted to register without a certificate of credits from the school previously attended. No student who has not been officially registered will be allowed to enter any class.

A student will not be allowed to change a course or to drop any subject except by permission of the committee on classification.

No student will be permitted as much as eighteen hours of work each week who does not show ability to carry the work.

No one will share the privileges of, or be classified as, a college senior who does not have a record of credit of twenty-six semester hours.

All excuses for absences of resident students must be submitted by the dean of students. Excuses for absences of day students must be presented in writing from the parents.

## GRADES

The grading system is as follows: A, represents Excellent; B, Good; C, Average; D, Passing; E, Failure, with the privilege of a re-examination; F, Failure, without the privilege of a re-

examination; I, Incomplete, denoting that the student has not completed the work of the course. An incomplete grade, unless raised to a passing grade within a year, becomes a failure without the privilege of a re-examination. W, denotes the official withdrawal from a course.

The year is divided into four terms of nine weeks each. Reports giving the class standing of the student are sent to parents or guardians at the end of the first, second, and fourth terms. Only the semester grades are recorded on the permanent records of the College.

Two terms constitute a semester. At the end of each semester examinations are given. The result of these examinations combined with the grades of the two terms constitute the semester grade.

An examination for the removal of a conditional failure when requested by the student and approved by the president must be taken within the month following the regular examination or at the next semester examination period. A fee of \$1.00 is charged for every examination not taken at the regular time assigned.

### QUALITY CREDITS

## GENERAL INFORMATION

---

### HEALTH

The health of students is considered of primary importance. Each student is required to take prescribed forms of physical exercise under the supervision of a director of physical education. Healthful open-air sports are encouraged and daily outdoor exercise is required. The table is supplied with an abundance of wholesome food. The cooking is under the supervision of an experienced dietitian.

When a student is so indisposed as to be unable to go to the dining-room for meals she is sent to the infirmary. Being in the infirmary does not necessarily mean serious illness. Parents will be notified promptly of any serious illness of their daughters.

The medical fee covers the simple medicines dispensed from the infirmary. All other medicines given upon prescription are to be paid for by the student. When a physician other than the College physician is called in the fee is to be paid by the patron. The services of a trained nurse also are to be paid for by the patron.

All inquiries regarding the health of the students should be addressed to the dean of students.

Parents are requested to have their daughters' eyes examined, glasses fitted, and dental work done, as far as possible, before they leave home.

### VISITING AND VISITORS

Students will not be permitted to receive visitors during class or study hours.

Visitors are not allowed on Sunday, except members of the immediate family, and they are requested to come after quiet hour.

Visitors are not permitted to the private apartments of students except by permission of the dean of students.

Written permission from the parents or guardian of the student must be filed with the dean of students to receive young men callers, and to spend the day or week-end away from the College. Such permission will then be granted only at the discretion of the dean.

Students will not be permitted to go out in the evening or to ride except when chaperoned by a teacher.

Students will not be permitted to spend the night in town except with parents.

Students arriving by bus or train will be met at the station. The dean of students or the business office should be notified of the time of arrival of students.

No one may invite a guest to be entertained in the College without first obtaining permission from the dean of students. A nominal charge is made for guests.

### FURNISHINGS

The College supplies each room with bedstead, bureau, wardrobe, washstand, chairs, mattress, and pillows. Each student should bring with her sheets, blankets, counterpanes, pillow-cases, towels, table napkins, teaspoon, and drinking glass, and any articles as rugs, curtains, and ornaments desired for her room.

The gymnasium suits must be purchased at the College—price \$1.00. Tennis shoes are part of the required equipment.

### PUBLICATIONS

In addition to the annual catalogue, the College issues a yearly handbook and sends out a quarterly bulletin.

### IMPORTANT REGULATIONS

Parents are requested not to give general permission conflicting with the regulations of the College, as these cannot be granted.

No leave of absence will be granted except upon a written or personal request to the dean of students by the parent or guardian.

A resident student is not allowed to make bills in the city unless the patron writes a personal letter to the President giving such permission.

The College will not be responsible for money, jewelry, clothing, or other articles left carelessly about in the rooms or anywhere in the building.

The borrowing of textbooks, clothing, jewelry, and other articles is discouraged.

Dancing, card playing, and smoking are prohibited.

Damage to College buildings or property will be charged to the one doing the damage.
